Agenda Number	Presenter	Agenda Item	Action Points
1.	All	<b>Introduction</b>	
2.	All	<p><b>Application llc_0002</b>  <b>Title: Methodological enhancement and documentary analysis of the UK LLC</b>  <b>Primary applicant: Andy Boyd</b>                      The lay summary is long but has been revised and reduced already. This research field is important and shows clear benefits.</p> <p><b>Summary:</b></p> <ul style="list-style-type: none"> <li>Application approved.</li> </ul>	
3		<p><b>Application llc_0004 (Amendment 'b')</b>  <b>Title: Examining the serological response to SARS-CoV-2 infection and vaccination across the National Core Studies</b>  <b>Primary applicant: Olivia Hamilton</b></p>	

		<p>Data request form updated.</p> <p>The researcher has requested Scottish data to which UK LLC are unable to grant at this point. Linked data from Wales also isn't yet in the remit.</p> <p>Studies data request for 4 different files – they have a wish list for 4 different files.</p> <p><b>Summary:</b></p> <ul style="list-style-type: none"> <li>• Advise researcher that data is not currently available. UK LLC will advise when this is.</li> <li>• Application approved.</li> </ul>	
4		<p><b>Application llc_0008</b>  <b>Title: Risk factors and prediction models for long COVID: analysis of longitudinal cohorts with linked NHS data</b>  <b>Primary applicant: Yinghui Wei</b></p> <p>Section 9.4 – justification for sensitive data regarding ethnicity and mental health. More information is required than stating mental health and ethnicity as potential predictors for long COVID-19.</p> <p>Pressing need for this research and fits well into priority questions set out by senior NHS.</p> <p><b>Summary:</b></p> <ul style="list-style-type: none"> <li>• The researcher should explain what they perceive the connection to mental health to be</li> <li>• Ask researcher to reference the CONVALESCENCE representative approval. UK LLC will find this reference and provide to the researcher for ethics section</li> <li>• Approved</li> </ul>	<p><b>#011 UK LLC will provide the CONCELESCENCE representative information for the researcher</b></p>
5		<p><b>Application llc_0009</b>  <b>Title: Understanding the impacts of healthcare disruption on health</b>  <b>Primary Applicant: Mark Green</b></p> <p>Scientific justification and the pathway to evidence and impact is strong. Research question is vital and an important topic to look at.</p> <p><b>Summary:</b></p> <ul style="list-style-type: none"> <li>• Application suggests they are not requesting sensitive data however, they are requesting mental health data. This needs to be specified on the application form.</li> </ul>	

		<ul style="list-style-type: none"> <li>• No attempt in spreadsheet to minimise data request. The researcher must specify in the data request form if they need cause of death data, etc.</li> <li>• Approved subject to above points specified</li> </ul>	
6		<p><b>AOB</b></p> <p>UK LLC Applications Team is redrafting Terms of Reference for this group.</p>	<p><b>#012 New Terms of Reference to circulate around the group for comment and approval.</b></p>
